

2011 FBT Return Preparation Manual - Order Form

ATO FBT Audit and Compliance activities are at unprecedented levels. Our FBT Manual will help you to Manage Your Audit Risk, Manage Your Resources and Manage Your Return/s.

FBT Return Manual

Our detailed six step 2011 FBT Return Manual will guide you through the annual FBT compliance process. Once completed, the FBT Return manual will provide you with a documented audit record of your return preparation process. Saving you time and money now, and in the years ahead!

In our experience, organisations generally spend too much time preparing their FBT returns and do not have a proper preparation plan. Our Manual provides the documented framework and process to allow you to meet your annual FBT compliance obligation.

1. Will take the guesswork out of the FBT return preparation process
2. Stops the often adopted "follow last years file" approach
3. Delivers a practical approach combined with a technical review
4. Will definitely save you time and money, now, and in the future
5. Provides you with a comprehensive audit record

Pricing:

1. \$399 including GST
2. Early bird pricing: pay by 24 December, and you only pay \$349 including GST
